

FREE PRIVATE PHOTO CHALLENGE

Bachelorette Photo Story Starter

Six safe missions and a four-frame story page—no strangers or public posting.

WHAT'S INSIDE

- Privacy guide
- Six missions
- Story frames
- Caption space

CONSENT FIRST • PRIVATE SHARING ONLY

BOBOTEMP

- ☐ Every recognizable person agrees before the photo is taken.
- ☐ No strangers, private documents, addresses or unapproved personal belongings appear; host-supplied or owner-approved props are welcome.
- ☐ Keep challenge photographs private and share them only through the group's agreed private method.
- ☐ A participant may remain behind the camera or use objects only.
- ☐ Delete rejected photos and honor every request to stop.

- Give each team one copy of pages 3–4. Gather the props for the chosen missions; agree on roles and a finish time.
- Take one final photo per mission, arrange the four images and write captions. Attach prints or sketch the images afterward.
- P01 needs four contributors; a smaller group can choose four of the other five missions.
