Host Guide & Safety

Set the boundary first, then let teamwork lead the fun

1 CHOOSE

Pick one hunt and define exactly which rooms or outdoor area are in play.

2 PREP

Print one sheet per child or team. Supply pencils and, for photo play, one supervised device.

3 PLAY

Set a 15–25 minute timer. Walk indoors, stay together and use look-only rules.

4 FINISH

Return to the host when time ends. Celebrate effort; ties may share the win.
