BOBOTEMP

15-Minute Host Plan

A complete, low-pressure starter

TIME	ACTIVITY	HOST CUE
3 min	Welcome	Read the pass rule and form teams of 2–5.
6 min	Common Ground	List four ordinary things everyone shares.
6 min	Connections	Find three groups, then add up each team's total.

HAND OUT AND SCORE

- Give each team pages 3–4. Keep page 2 with the host because it contains the answer.
- Add Common Ground (up to 4) and Connections (up to 6) for a total out of 10.
- Tie on the total: each tied team names one more ordinary table item, aloud or in writing; the host accepts the first reasonable answer.

WHAT COUNTS

- Shared preferences, routines or experiences count.
- Names, appearance, private information and “we are all here” do not count.
- A guest may write or keep time instead of speaking.
