

Free Class Swap Starter

30 minutes of class time

Two small mystery bags and twelve friendship notes — enough to try a candy-free class swap with a small group.

WHAT IS INSIDE

- 2 small mystery bags
- 12 friendship notes with a From line

YOU NEED

- Printer paper or light cardstock
- Scissors and glue sticks
- Clear tape

HOW IT WORKS

1

PRINT AND CHECK

Print on US Letter at Actual Size / 100% — never Fit to Page — and measure the 1-inch square before you cut. Plain 20–24 lb printer paper works for everything; 65 lb light cardstock makes sturdier cards and bags.

2

MAKE THE BAGS

Page 2: cut, score, fold and glue.

3

PACK A NOTE

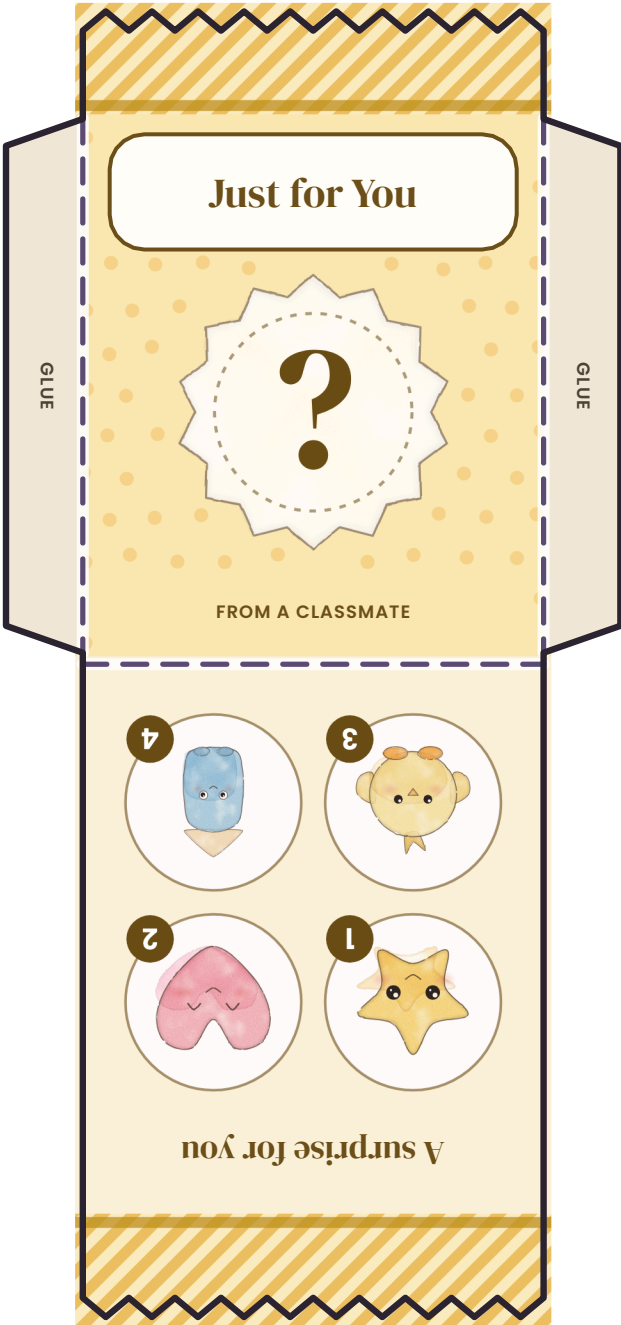

Page 3: cut a note, sign the From line, pack it and seal the bag.

IN THE FULL SET

The full Classroom Exchange Blind Bags set adds medium and large bags, 12 more notes, 24 stickers, to/from tags, a class swap list, print counts for 20–30 students and an ink-saver edition.

SAFETY

A grown-up should help with scissors and do any craft-knife cutting. Paper pieces, stuffing and seal stickers can be choking hazards for children under 3. Keep them away from babies and toddlers. Use a glue stick or tape — no hot glue for children. Home-printed paper and ink are not food safe: if you add a treat, use one that is individually wrapped.
