

Free Classroom Reward Bags

Black and white • photocopy-friendly

Two reproducible mystery bags students can color and fold — fill one with a kind note and hand it over privately.

WHAT IS INSIDE

- 2 crimp-top reward bags to color

YOU NEED

- Copy paper (US Letter)
- Scissors and a glue stick
- Crayons
- Clear tape

HOW IT WORKS

1

PRINT AND CHECK

Print on US Letter at Actual Size / 100% — never Fit to Page — and measure the 1-inch square before you cut. Plain 20–24 lb printer paper works for everything; 65 lb light cardstock makes sturdier cards and bags.

2

MAKE THE BAGS

Page 2: cut, score, fold the tabs and glue.

3

GIVE QUIETLY

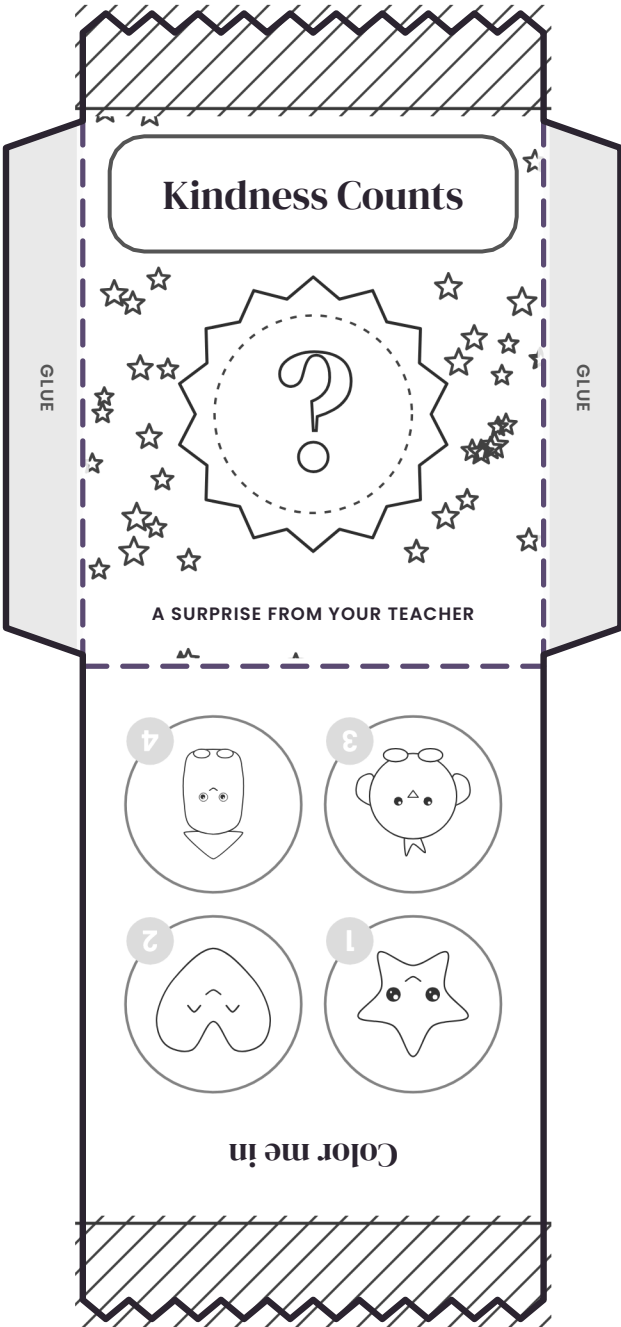

Put a short note inside, seal it and hand it over privately — no chart, no ranking.

IN THE FULL SET

The full Classroom Kindness Reward Bags set adds flap bags, 24 encouraging reward tokens, teacher and student labels, and print counts for classes of 20, 25 and 30.

SAFETY

A grown-up should help with scissors and do any craft-knife cutting. Paper pieces, stuffing and seal stickers can be choking hazards for children under 3. Keep them away from babies and toddlers. Use a glue stick or tape — no hot glue for children.

Measure first
