WHAT'S INSIDE

- How to sign them
- Eight named certificates
- A blank certificate
- A draw-it certificate

US LETTER • A THANK-YOU, NOT AN OFFICIAL AWARD

BOBOTEMP

Before You Sign

Ten certificates: eight named contributions, one blank, one to draw

- Write the recipient’s name and sign as yourself: a student, a class, a family, a colleague or a volunteer.
- Pick the certificate that names something they really did, or use the blank one and name it yourself — a lesson, a habit, a moment.
- Card stock or heavy paper; print at 100%. Fill in with a dark pen.
- For staff in any role — the office, kitchen, custodial team and aides as much as teachers.

PLEASE NOTE

A thank-you, not an award from the school, the district or any organization. Sign in your own name and role — never for someone else.
