- Pick three or four pages per child — not the whole kit.
- Crayons for little guests; pencils for big guests. No markers near table linen.
- Hand out packs at dinner or during speeches; everything works from a chair.
- An adult stays responsible for the children; this kit is not childcare.

The full 22-page kit adds more coloring, I spy, matching, two mazes, a scramble, seating logic, bingo from your seat, tic-tac-toe, story frames, wishes cards and place cards.
