How to Play

The bride or host completes the answer row before guests begin

- Competitive: read each card; everyone writes A or B on their own sheet (page 4) before the host reveals the approved answer; 1 point per match.
- Discussion-only: reveal the bride's answer and invite optional conversation; no scores.
- Host marks SKIP: the card is removed for everyone and the maximum drops by one. A guest who passes leaves that answer blank and earns no point for it.
- Tie: tied guests share the win; there are no unused cards in this six-card starter.
